Section 4. FILING

Two (2) copies of the National Electrical Code 2017 edition and this Ordinance shall be available in the Village Hall for public inspection and reference.

Section 5. ENFORCEMENT.

The Electrical Inspector of the Village or his designated representative shall be responsible for the proper administration and enforcement of the Electrical Code.

CHAPTER 3 PLUMBING CODE

Section 1. ADOPTION.

- 1.1 The Illinois Plumbing Code, 2014 Edition, of the State of Illinois, Department of Public Health is adopted as the Plumbing Code for the Village of Coal Valley with the exception that the Village requires the use of steel piping for gas lines within the interior of all buildings. Other exceptions are addressed or can be amended and modified by this Ordinance.
- 1.2 All new construction will require a Radon remediation system, and a permit to install. All Radon remediation systems added to current buildings/structures will require a permit.

Section 2. CREATION

The position of Village Plumbing Inspector is hereby created. The Plumbing Inspector will be a currently licensed Plumber.

Section 3. FILING

Two (2) copies of the State of Illinois Plumbing Code, 2014 Edition shall be available in Village Hall for public inspection and reference.

Section 4. PERMIT FEES

The fee for a plumbing permit shall be \$20.00 per opening.

The permit fee for the installation of a Radon remediation system shall be \$20.00.

Gas Pressure Test	\$20.00
Sprinkler System Installation	\$20.00
